

Junkyard Wars

Inceptum2k14

Rules:

- * Participants can prepare anything of their choice out of the junk.[note: But the junk will not be provided by our side.]
- * Participants are supposed to make the object at their home or college and bring it at the event on mentioned date.
- * Group may use some new parts for their object if they need to.
- * There will be a face-off round in which teams will compete with each other.

Participants will be given points on

The screenshot shows a Microsoft Word Web App interface. The document content includes the following rules:

- Participants are supposed to make the object at their home or college and bring it at the event on mentioned date.
- Group may use some new parts for their object if they need to.
- There will be a face-off round in which teams will compete with each other.

Participants will be given points on

Aspects	Points
Face-off round rank	10
Justification for their object to be made of junk	8
Recycling	7
Design	7
Functioning	5
