

Inceptum Reloaded

ROBO SOCCER

Rules

The robot should be able to roll the ball to the goal post.

Lifting the ball is prohibited.

A team of not more than 4 members are allowed to participate in the event.

The diameter of the ball would be 40 mm.

The size of the arena would be 5 x 3 meters.

Event

For a given number of teams, every team will have a chance to dodge the ball against every other team and also every team will have a chance to kick a goal against every other team.

e.g.: let there be 5 teams i.e.

Team A

Team B

Team C

Team D

Team E

Where 1, 2, 3..... Are the numbers of rounds.

e.g. 1st round would be with team A kicking the ball and team B would be dodging or 1 minute which comes first.

Team A Team B Team C Team D Team E

Team A 1 2 3 4

Team B 5 6 7 8

Team C 9 10 11 12

Team D 13 14 15 16

Team E 17 18 19 20

Judging

For every goal, 20 points will be added to the team doing the goal.

Smashing or hitting other team's robot will cause deduction of 10 points. (Note: Touching the opponent robot is not considered as hitting or smashing)

Any damage caused to the opponent's robot will cause the disqualification of the team.

If the ball comes out of the arena, 10 points will be deducted.

If the robot or any part of the robot comes out of the arena, 10 points will be deducted.

The final evaluation and judging would be done by the team of organisers of this event
